Required Essay: Please write an essay answering the following question on separate paper and attach to the completed application (a total of two single-spaced pages maximum).

The year 2020 saw an unimaginable health crisis that changed the world and our lives as we knew them. Now we are all adjusting and hoping for a “new normal.” Please tell us how COVID19 affected you, changed your life or your family’s. Has it changed your outlook on life or what you want to study? What do you envision as a new normal?
